Peter Blincow Brand Identity

Uploaded by: IC Design
Country: United Kingdom
Website: <http://icdesign.co.uk/>

Like 0 Tweet 0 Pin it 0

Peter Blincow is a niche professional services practice. The brand is very much about the individual as well as the company, with the icon incorporating a 'P' and 'B' moulded together as Peter Blincow is a construction and property specialist. The colour scheme has a traditional British feel of blue, white, and red, with accents of taupe and teal.
